He had just sat down after speaking when he collapsed. Fellow worshippers carried him to one of the lower rooms in the church and administered artificial respiration in a vain endeavor to revive him.

He was pronounced dead by Dr. Irving Rudman who arrived a few minutes after he had been summoned and his body taken to the Gerardi Frankfort Chapel. Later it was taken to Chicago as Mr. Wilson had directed that his body be utilized for science. A memorial service

## New L-W Grid Coach Highly Recommended

Lincoln-Way High School has a new head football coach. He is William Vogel, who has been assistant varsity coach at St. Joseph High School at Cleveland, O.

He was hired by the Lincoln-Way High School Board on recommendation of Supt. A. Hunter Chapman when a vacancy developed in the coaching staff. Athletic Director Norman West asked to be relieved from all athletic duties and his place has been filled by Ronald Stopka, head football coach. Now Vogel comes in to take over the football job.

St. Joseph High is the largest boys' prep school in Ohio. Vogel himself is a graduate from there and he returned following his graduation from Dayton University.

He has been there for the past six years and in that period he has served as head Junior Varsity coach and head line coach on the varsity squad. In the six years St. Joseph has piled up 48 wins, six losses and six ties against most of the well-known Ohio prep football powers.

Coach Vogel has prepared many boys for college football, including two fine athletes now at Notre Dame, Tom Schoen (All-American) and Brian Steger.

ADD SIGNS OF SPRING -- holes in highways. This crevasse -- it's too big for a mere crevice -- is one of many in U.S. 30 and other main highways in the area. It is located about two blocks east of Lincoln-Way Rd. Most of the holes hide at the edges of the pavements in such a position that drivers have to veer toward the opposite lane to miss them. Some are within the confines of the Village of New Lenox and a dandy big one is reported within the Frankfort limits. The one in the picture could blow a tire or break a spring with the greatest of ease. It is the hope of highway users that the state highway department doesn't wait until mid-summer or early fall before eliminating these driving hazards. It's that old Debbil frost coming out. ## Churches Prepare For Celebration Of Easter

"In the end of the Sabbath as it began to dawn toward the first day of the week, came Mary Magdalene and the other Mary, to see the sepulcher.

"And behold there was a great earthquake; for the angel of the Lord descended from Heaven, and came and rolled back the stone from the door and sat upon it.

"His countenance was like lightning and his raiment white as snow. And for fear of him the keepers did shake and became as dead men. "And the angel answered and said unto the women: 'Fear not ye, for I know that ye seek Jesus which was crucified.

"He is not here, for he has risen as he said. Come, see the place where the Lord lay."

These words, almost 20 centuries old, will be sounded again in various forms thruout Christendom this Sunday as the faithful gather in churches and on hilltops to again celebrate Easter.

Easter is the great feast day of Christianity. On Christmas the birth of Christ is celebrated. On Easter is celebrated His death and resurrection. Lent, the 40-day penitential season is nearing its end. This is Holy Week which had its beginning last Sunday -- Palm Sunday, commemorating Christ's entry into Jerusalem amid the hosannas of the people who strewed his path with palm leaves. Before the week was ended some would shout to crucify Him.

And today, Maundy or Holy Thursday when Jesus gathered with his disciples in the upper room for the Last Supper, churches will mark the occasions with suppers and communion services to night and all night vigils before the altars.

Tomorrow is Good Friday and that afternoon and night millions of worshippers thruout the world will live again thru the Crucifixion when Jesus died his cruel death on the cross.

Taken down He was placed

in a tomb and a huge stone was worked into place to close the door. The High Priest's faction prevailed upon the authorities to station guards about the tomb because they wanted to make certain the body remained there to forestall any talk that Jesus had triumphed over death and had risen. But on Sunday the tomb was empty. As the angel told the two Marys, "Jesus has risen, as he said."

Thus Easter is the high point of the Christian calendar.

Arbury Hills

Former Community Resident Speaks To Parent-Teachers

MRS. EDWARD HOVI  
Telephone: 479-5740  
The Summit Hill Parent-Teacher Group held their regular monthly meeting at the school with Mr. Carl Schoenwise, a candidate for

the Lincoln-Way High School Board, giving a short talk at the meeting pertinent to his qualifications for the Board Member. Mr. Schoenwise had previously run for the Lincoln-Way Board some five years earlier with a former resident of Arbury Hills, Mr. Hyman Kronich.

He is a resident of New Lenox and a member of the Citizens Committee of Lincoln-Way High School. He has two children who are graduates of the school and one child still in elementary school.

The Lincoln-Way School Board will be elected on the same day as will our own Summit Hill School Board, Saturday, April 8, from 12 noon until 7:00 p.m. The polls will be situated in the Arbury Hills School for both elections.

As of this date there were five individuals circulating the necessary petitions to declare themselves candidates. The five who obtained petitions were: George Peterson, Mrs. Mary Williamson, Tom Tanis, Joe Farnham, and Fred Larsen. Four of the five have already returned their forms with the required fifty resident signatures, and the fifth petition was expected by the closing date.

On the Arbury Hills School Board there are vacancies in four of the positions. There are two openings for three year terms and two openings for one year terms. This is an unusually large number of vacancies for one election, but it was brought about due to the resignation

of two of the board members during the past year.

Please don't forget the date, Saturday, April 8, at the Arbury Hills school from 12 noon until 7:00 p.m. for both the Summit Hill School Board members and the Lincoln-Way High School board members.

There was a meeting of the Lincoln-Way High School Teachers at the Arbury Hills School recently. Some two hundred teachers attended. A talk was given by Marty Mackay on the special education program which is to begin next year in the area.

The all-purpose room was decorated in the good old Irish tradition of the wearing of the green. The teachers at our school furnished refreshments of cake and coffee following the meeting.

Four of the girls from the school served as hostesses for the day; Bev Coop-

er, Jill Neumayer, Jan Maschmeyer, and Ruth Terracina.

The next level of the contest will be held at Manhattan on April 5. Lots of luck for our local champs and congratulations for their accomplishments thus far.

St. Mary Altar and Rosary Society are sponsoring their annual Fashion Show at the Silver Lake Country Club on Wednesday evening, April 12, beginning at 8:00 p.m. Tickets for the show are \$1.75 per person and may be obtained from any of the ladies who are modeling, or contact Miss Jean Sagan at 479-5691.

The Summit Hill Parent-Teacher Group are continuing their sale of candy. Representatives will call on all residents of the school district to place their orders for the chocolate covered caramel-pecan candy.

If you wish additional orders, or if you are somehow missed during the canvassing, you may place your order directly with Mrs. John Jaeger, the chairman, at 479-9281.

The Summit Hill Cub Scout Pack Number 10 will hold

their Pack meeting at the school on March 31, beginning at 7:30 p.m.

The registration for the Girl Scouts summer Day Camp will close on March 24. All registrations must be in by tomorrow with the \$5.00 registration fee enclosed. The \$5.00 charge includes transportation and all activities. The Day Camp will be held at Van Horne Woods on Route 30 and Wolf Road, as in previous years.

The two Junior Girl Scout

Troops are having a joint outing on March 29. Both Mrs. Robt. Dickerson and Mrs. Wm. Kilgore's girls are going to have a swimming party at Castle Acres.

A reminder to all those cookie hungry people, the Girl Scout Cookies will be delivered by the girls during the week of April 5 through April 12. It would be appreciated by the girls if you would be able to have the correct change available.

Dear Friends,

As we participate in the celebration commemorating Christ's resurrection, let us remember his teachings and the golden rule derived from them.

# Form Airport Site Protest Committees

A meeting was called Friday night at Reed School, 143rd St., Lockport, to form working committees to investigate and protest the Homer Township area as a possible future airport site.

Hugh Tinman of Spring Creek Woods, chairman, emphatically stated that this meeting was to get workers and committees organized. Those who were not there for that purpose could leave according to Tinman.

These working committees would be composed of those citizens interested in saving their property from this proposed issue, the airport.

Charles Jungles, Homer Township supervisor, has made his stand and is not in favor of the airport for the Homer Township area. He said that his first inkling of an airport study was when he and other supervisors were called in to a noon meeting Monday, March 6. He said that a steering committee was to be formed but no one at the noon meeting was asked to work on this steering committee. Jungles stated that he feels the Joliet Region Chamber of Commerce stimulated the whole thing.

Jungles further stated that this would bring industry into Homer Township but he would not like to see it wiped off the map. Any supervisor elected in a township should have as his first concern the township and the county in general his second concern. Jungles does not believe it right to sacrifice Homer Township to support Will County. He noted that smaller municipalities have invested at least one - half million dollars to plan for best land usage and according to Jungles, there was no airport noted for Homer Township.

Supervisor Jungles stated that he had been condemned for not making a commitment earlier. He felt that it takes time for consideration and he now takes a stand against the airport. Jungles is to bring a resolution before the county board of supervisors at their Wednesday meeting for a Will County Airport Commission to investigate.

He stated that if the Joliet Chamber of Commerce wants to take on a project it might consider pumping the slews out on the west side of Joliet or propose a parking lot for the downtown area.

Mrs. Louise Morris of Gougar Rd., Lockport, was named coordinator of all chairmen of all the working committees.

Among the committees are telephone, fund raising, fact finding, publicity, etc. Many residents volunteered to be on one or more committees.

Chairman Tinman also alerted those present that there would be no demonstrations or marches by this committee. He again emphasized that these committees were being formed to find out the facts about the airport and they would work in an orderly fashion to gather facts.

Tinman was also interested in getting residents of surrounding towns, New Lenox, Mokena, Orland Park, Frankfort and Lemont to educate their areas and make them aware of this proposed airport.

Matt Fisch Jr. of 143rd St. told the group that the committee will prepare a four page brochure informing Will County of what is happening here.

State Representative John Houlihan and Senator Meade Baltz did not appear at this meeting because they were not asked according to Joan Straka, one of the organizers.

Those citizens interested in learning more about signing petitions and the protest committee are asked to call 838-5107, 838-4238, or 838-6219.
